Dear Honorable Judge Bray,

Nathan Ochsner, Clerk of Court

Greetings from the nutty world.

I am doing a covert military operation.

My authority in the USA govt which happens to exceed the POTUS is for good & time as this. Since Biden was being attacked, I had to step in & take the reins. My position is for emergencies only. We are taking Down Donald Satan Trump. I had to look mean to save lives due to a nuclear breach. I hope my military/cia records show that I had to do a PsyOPS to save lives. Donald is a crafty gutless warden who owes me money. I'm not a military girl. ^{Hugs} ~~Call~~ ^{cher}
